

letter from the President

We're excited to open our doors again and we want you to know we're always here when you need us!

As life slowly returns to something like normal, we're reminded of how grateful we are for our long term members, the newer members we've only met just recently and for the committed team members who make working at Canopy a labor of love.

We face every new day with renewed commitment to helping you achieve your financial goals, whatever they may be. We're ready to look beyond the obvious to find new, unique, and creative ways to serve you. It's our goal to fill your Canopy experiences with honesty and transparency and maybe even delight and an occasional surprise. We're dedicated to making the moments you spend with us amazing (and full of WOW) — so that you'll always leave feeling valued and cared for.

We want you to know when we say “your story matters,” it's more than just a slogan. We spend the time it takes to get to know you; to understand your story, and to help you make clear and achievable plans for your financial future.

Visa fraud text alerts

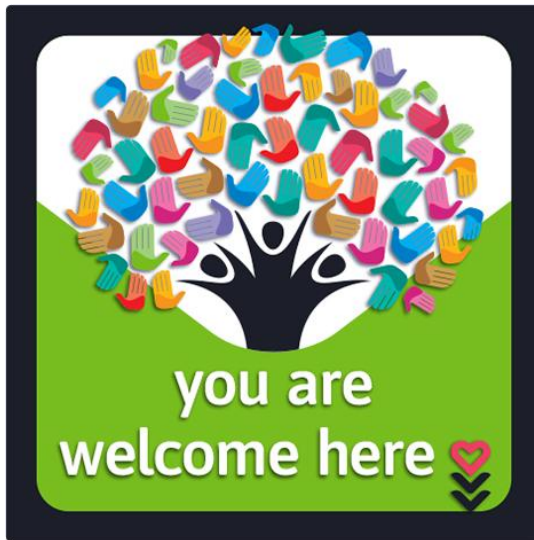

As part of our commitment to your security, we've implemented a NEW fraud prevention service available to ALL members. And the best part? You don't have to do anything to redeem it! Starting today, you'll receive text messages whenever there is a flagged transaction on your Canopy Visa Debit and/or Credit Card. You'll have the option to reply YES if the purchase is valid or NO to void the transaction. Make sure to save the number 37268 in your phone so you recognize when you receive these important notices.

These texts will be sent to your primary phone number on your account. Not sure what number you have listed? Give us a call or log in to online banking and chat with us via secure chat!

If you don't have texting capabilities, you'll continue receiving any suspicious activity alerts via phone call from our Canopy Fraud Services phone number 877.253.8964.

"I wanted to make sure that Canopy gets the praise that they deserve for the efficient, fast, very professional and stress free service!"

I was recommended by a friend to refi through them because the big mortgage company that I was currently going through never got back to me even though I called, left a message and I even left a request for help on their website. Canopy got a hold of me in less than 24 hrs and made everything as convenient for me as possible and at my pace. Thank you for not making me feel like a number. You guys are awesome!"
